Dear Senator,

On behalf of the League of Women Voters of Nebraska, thank you many times over for giving your support to LB580, the Redistricting Reform Act. The League believes that Senators Mello and Murante have crafted a well thought out plan to ensure fair and accurate redistricting following the 2020 Census of the U.S. population. We appreciate that you have agreed and have passed the bill without amendments. It is especially heartening to see the bi-partisanship shown for this important vote.

The League adopted a position on redistricting based on the Iowa Independent Commission Plan. LB 580 is a good adaptation and we believe it will serve the voters of Nebraska for many decades to come, as the Independent Commission Plan has in Iowa.

Again, thank you. We sincerely hope the governor will see the wisdom of this legislation and are counting on you to override a veto if that does happen.

Sincerely,

Sherry Miller, President
League of Women Voters of Nebraska
