Dear Senator,

With regard to LB 947, which would provide for young immigrants to qualify for professional and commercial licenses in their fields of education, the League of Women Voters of Nebraska urges you to vote yes.

The League believes that immigration policies should meet the economic, business and employment needs of the United States (and specifically those needs in Nebraska with its low unemployment rate). We urge you to pass LB 947 to give young immigrants AND the communities they live in the benefits of working in jobs to boost the state's economy while paying taxes.

Thank you,

Sherry Miller, President
League of Women Voters of Nebraska

John Else, Director
Social Policy, League of Women Voters of Nebraska
